

Savola Company Profile

We are Savola: the leading strategic holding group for the food and retail sectors in the MENA region.

Since 1979, we have generated profits for our shareholders and investors through our diverse portfolio of managed and non managed assets. Managed investments in our core sectors are owned by our two entities, Savola Foods and Panda Retail.

Savola Foods operates a wide array of B2C brands that are known and loved by consumers in 50 countries. It has a long-standing presence in the edible oil, sugar, pasta and ghee categories and is now moving into new product types and higher value-added items.

Panda Retail operates the largest grocery store chain in Saudi Arabia and neighboring countries. Panda Retail company has a large number of stores, including hypermarkets, supermarkets serving +100 million customers.

Aside from our strong focus on our sector and region, our main differentiator for investors is our ethical corporate ethos. Transparency, fairness and generosity are reflected in all aspects of our business model, and none of our decisions or actions violate these principles.
