

Savola Company Profile

We are Savola: the leading strategic holding group for the food and retail sectors in the MENAT (Middle East, North Africa and Turkey) region.

Since 1979, we have generated profits for our shareholders and investors through our diverse portfolio of managed and non managed assets. Managed investments in our core sectors are owned by our two entities, Savola Foods and Savola Retail.

Savola Foods operates a wide array of B2C brands that are known and loved by consumers in 30 countries. It has a long-standing presence in the edible oil, sugar, pasta and ghee categories and is now moving into new product types and higher value-added items. The company achieved sales volume of 4.1million tons in 2016.

Savola Retail operates the Panda grocery store chain in Saudi Arabia and neighboring countries. Panda Retail company has a large number of stores, including hypermarkets, supermarkets and convenience stores (Pandati) serving 134 million customers. Panda believes it can achieve the same success in other markets in the region.

Aside from our strong focus on our sector and region, our main differentiator for investors is our ethical corporate ethos. Transparency, fairness and generosity are reflected in all aspects of our business model, and none of our decisions or actions violate these principles.
