SF History and Sales Evolution (SAR)

- Large player
- Business expertise – B2B, B2C, Exports, Value addition
- Distribution network
- Repeatable success formula
- Branding power
- Operations excellence
- Logistics infrastructure
- Scale of buying
- Market and consumer knowledge
- Inspiring culture

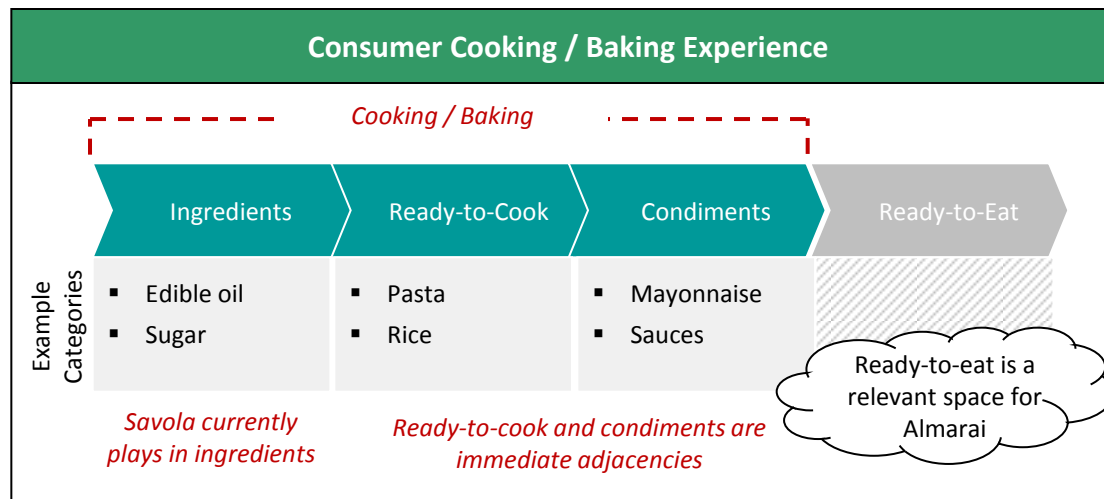

Strategic Direction

Description

- Achieve business sustainability through portfolio diversification instead of upstream integration
- Restrict geographies to manage complexity of broader portfolio

Rationale

- Focus on markets that contribute the most to Savola's profits
- De-prioritize markets where Savola has formidable challenges and cannot easily build capabilities to overcome them
- Leverage strong market position in Arabia, Egypt and Iran for new categories

Portfolio diversification play with focused geographic footprint

Strategic Guidelines

Oil Established Markets

- Arabia
- Egypt
- Iran

- Ensure dominance and sustain stable long-term growth
- Launch value added B2B and B2C oil products

Oil Value Creation Markets

- Algeria
- Turkey
- Sudan
- Kazakhstan
- Morocco

- Continue to focus on growth
- Manage with the core markets as the business requires operational management and expertise
- Manage in a separate portfolio and P&L
- Evaluating various options to improve position in these markets

Sugar

- Arabia
- Egypt

- Maximize B2B potential by developing value added products
- Leverage USCE volume predominantly for exports
- Partner with global player for large scale beet play

New Categories

- Arabia
- Egypt
- Iran

- Entered pasta business in Egypt
- Enter other ingredient and ready-to-cook categories
- Create a powerhouse which will provide an attractive partner to global companies

A total profit pool of over SR 13 billion in rice, pasta, spices and flour in core markets

Panda – a regional giant

مجموعة صافولا
The Savola Group

- Largest and fastest growing retailer in the country
- Well established brand name with equity in produce, trust and value for money
- Indigenous brand, sensitive to local customs and culture
- Modern supply chain infrastructure
- High geographical penetration; the only national player operating in multiple formats
- High level of localization; well above statutory requirements

Note: Number of stores excludes Lebanon

Under penetrated grocery retail market

مجموعة صافولا
The Savola Group

- The Saudi grocery market is witnessing strong growth which is expected to continue
- Within the grocery market, super and hypermarkets are gaining market share
- In spite of strong growth, super and hypermarkets are still underpenetrated, compared to other markets globally
- Apart from strong organic growth potential, there is room for acquisition growth, given the highly fragmented nature of the Saudi market
